Senior

Resident

(Super

Specialties)

Registered to pursue DM/MCh in the concerned subject.

OR

MD/MS/DNB qualified graduates in the concerned broad specialty. This post of senior resident is a tenured position not exceeding 3 years. The graduate must be below 45 years of age at the time of initial appointment.

7. Appointment of Faculty during transition period

7.1 The academic qualification for any new broad specialty or super specialty shall be the one shown at the time of notifying the new specialty. Persons appointed on the basis of the entry level qualification shall be eligible for promotion to the higher posts.

7.2 Persons appointed as teaching faculty during the transition period shall be eligible for promotion to

the post of Associate Professor/ Professor even after the transition period of ten years are over.

Such person shall also be entitled to hold the teaching position held by him until the age of 70 years in the same or any other recognized Medical Institution.

7.3 In the case of Broad Specialty / Super Specialty courses which were newly instituted, relaxation of qualification and experience for appointment as faculty during transition period was granted for ten years from the date of start of the course by erstwhile Medical Council of India. This relaxation ceases to exist for all the existing Broad Specialty / Super Specialty courses on the day they completed ten years from the date on which they were started by erstwhile Medical Council of India.

7.4 This relaxation of qualification and experience during transition period mentioned in clause 7.3, shall be extended for five more years from the date of notification of this Regulation to all the Broad and super specialty courses which were started after 01 January, 2009. This relaxation is not applicable to the departments instituted before 2009.

8. Norms for Determination of Teaching Designations for Consultants/Specialists employed by

Central Government or State Governments or Local Self-Government or Public Funded Institutions for establishing a Medical College/starting a Postgraduate course

8.1 New Medical College:

A non-teaching Consultant or Specialist, possessing postgraduate medical degree, working for at least two years in the concerned specialty in a minimum 330 bedded non-teaching Government Hospital shall be eligible to be designated as Assistant Professor and be absorbed permanently, if that Hospital is being converted into a Government Medical College for imparting undergraduate medical education. The subsequent promotions to higher teaching designations would be as per these regulations. Provided further that this would only be a one time provision and so absorbed teacher should not be transferred from that Institution for five years. The subsequent appointment of any faculty would be as per these regulations.

36 THE GAZETTE OF INDIA : EXTRAORDINARY [PART III—SEC.4]

8.2 Stand-alone Postgraduate medical institution: Consultants or specialists having the required postgraduate degree and experience of working in the concerned specialty /super-specialty department for a period of not less than 2 years in the institution or hospital, not attached to any medical college, where postgraduate teaching is being imparted as per section 9.3 of the Postgraduate Medical Education Regulations, 2022, shall be eligible to be equated as an Assistant Professor in the department concerned. This has to be confirmed by the affiliating University. The subsequent promotions to higher teaching designations would be as per these regulations.

9. Norms for Determination of Teaching Designations for Consultants/Specialists in Medical Institutions of Defence Services

9.1 Professor: Specialist Medical Officers of the Armed Forces having minimum 8 years teaching experience after obtaining the requisite recognized postgraduate qualification in the subject, of which at least three years as Associate Professor in a teaching hospital of the Armed Forces, with two Research publications as per clause 6, can be considered eligible for appointment as Professor in the concerned subject.

9.2 Associate Professor: Specialist Medical Officer of the Armed Forces having minimum five years teaching experience after obtaining the requisite recognized postgraduate qualification in the subject, of which at least four years teaching experience as Assistant Professor in a teaching hospital of the Armed Forces, with two Research publication as per clause 6, can be considered eligible for appointment as Associate Professor in the concerned subject.

9.3 Assistant Professor: Specialist Medical Officers of the Armed Forces having minimum one year teaching experience after possessing requisite recognized post-graduate qualification in the subject, can be considered eligible for appointment as Assistant Professor in the concerned subject.

10. Visiting Faculty

With a view to enhance the comprehensiveness and quality of teaching of Postgraduate students in all the departments, Medical Colleges/ Institutions may appoint additional Faculty Members from abroad with equivalent qualifications as Visiting Faculty on part time basis. This International Visiting faculty shall be over and above the minimum faculty prescribed in the relevant “Minimum Requirements for Annual MBBS Admissions Regulations, 2020” and the “Postgraduate Medical Education Regulations, 2022”.

11. Index of Teaching Specialties.

11.1 The nomenclature of the specialties/subjects shall be the same as that contained in the Postgraduate

Medical Education Regulations- 2022. Any addition/deletion of a new specialty in these Regulations shall reflect in the corresponding table of these Regulations.

11.2 The teaching specialties and prior qualification for appointment of Faculty with Medical qualifications in the department of a Medical Institution shall be as per Table 4.A for broad specialties and Table 4.B for Super Specialties.
