INTRODUCTION

Medical Officer of Health (M/W Ward)

The right to information is implicitly guaranteed by the Constitution. However, with a view to set out a practical regime for securing information, the Indian Parliament enacted the Right to Information Act, 2005 and thus provided a powerful tool to the citizens to get information from the Government as a matter of right. This law is very comprehensive and covers almost all matters of governance and has the widest possible reach, being applicable to Government at all levels- Union, State and Local as well as recipients of government grants.

The basic object of the Right to Information Act is to empower the citizens, promote transparency and accountability in the working of the Government and make our democracy work for the people in real sense. The Act is a big step towards making the citizens informed about the activities of the Government.

The Act requires the Government authority to compile a handbook in easily comprehensible form and to update it from time to time under **Section 4(1) b** sub clauses i to xvii (17 Manuals). The objective of publishing 17 Manuals is the proactive disclosure of the information/records held by Govt. Authority for the information seekers. The office of Medical Officer of Health, F/South ward is hereby publishing the Handbook for 17 Manuals as required under RTI Act 2005 to promote transparency and accountability in the working of the department & to give easy access to the information seekers to the information & records held by this office.

This handbook contains introduction about the department along with particulars of its functions, duties, objectives & vision. It further elaborates about the duties, powers delegated to its officers & employees. The procedure followed in decision-making process, accountability of concerned officers, norms set for discharge of its function along with Acts, related rules/regulations are further described in detail. It also contains the Statement of Categories of documents held by this office, directory & remuneration of its officers and employees. The details of budget allocation & its disbursement, particulars of permits issued, facilities available for citizens & details of PIO/Appellate authority is also published for information.

This consolidated updated handbook on 17 Manuals of the Act would help all the information seekers in getting information. However, in case any information seeker wants to get more information on topics covered in the handbook as well as other information may contact Medical Officer of Health, MW ward whose office is situated at Office of Medical Officer of Health, R No. 208, 2ND Floor, 'M/W' Ward Building, Sharadbhau Aachrya Road, Chembur (East), Mumbai – 400 71. The procedure and fee structure for getting information is as per the provisions of RTI Act, 2005.

The Corporation has decentralized most of the main departments functioning at the city central level under Departmental Heads, and placed the relevant sections of these Departments under the Assistant Commissioner. MOH is under administrative control of Assistant Commissioner. Although the functional control of the MOH lies with the Executive Health Officer

of the Public Health Department. The MOH is separately delegated powers u/s 394 & 412 of MMC Act and Registration of Births & Deaths Act, 1969 and Rule 8/13 of Maharashtra Registration of Births & Deaths Rules, 2000, PC-PNDT Act, 2003, to function effectively.

The registration of Births and deaths in T Ward area is done as per provisions laid down under the 'Registration of Births and Deaths Act, 1969'. The act lays down that the information about live births/still births and deaths should be given to the Registrar/Sub-Registrar i.e. Medical Officer of Health, T Ward in the respective forms prescribed for the purpose within 21 days from the date of occurrence of the event. The Medical Officer of Health (M/W Ward) is the sectional Head of Health Department who exercises supervisory control over Public Health Infrastructure in M/W Ward. He has to take action under appropriate provisions of MMC Act/RBD/PC-PNDT/MNH Act against owners of Eating Houses/ USG Centres/ Genetic Clinics/ IVF Centres/ Nursing Homes/ Construction Sites/ Saloons/ Laundries/Flour Mills. He has to prevent unauthorized food trade and also Prevention of Sex-Determination. He has to also regulate and control Outbreaks of Communicable Diseases in M/W Ward. He also supervises all the Health Related activities in a particular ward. He is the appropriate authority to register & certify Vital Events such as Births, Deaths & Marriages. Under the PC-PNDT Act of the year 2003, Medical Officer of Health of F/South Ward has been appointed as Appropriate Authority. Under this act, all Genetic Centers / Genetic Counseling Centers / Genetic Laboratories / Ultrasonography Centers / Imaging clinics etc. are required to be registered. They are supposed to comply with the norms laid down under the PC-PNDT Act, 2003.

As per Central Right to Information Act 2005, The Medical Officer of Health is appointed as Public Information Officer (Health Department) for Public Health Department and As per Maharashtra Public Records Act-2005 and Maharashtra Public Records Act Rules -2007, he is appointed as for Record Officer for Public Health Department.

PUBLIC INFORMATION OFFICER (PIO) for Medical Officer of Health Dept of M/W ward is Dr.Bhupendra Kesharsing Patil

**Medical Officer of Health
'M/W' Ward**

The Medical Officer of Health (M/W Ward) conducts certain special activities for the citizens of M/W ward as well as the Municipal Employees working in the M/W Ward Municipal Office. Following are the details of the same:

- **Screening for Non- Communicable Diseases:**
The Medical Officer of Health (M/W Ward) organizes screening programs for Municipal Employees for diseases like Diabetes Mellitus & Hypertension. If diagnosed with the same, appropriate treatment/ referral services are provided.
- **Implementation of National Health Programs:**
The various National Health Programs like the National Malaria Control Program, Revised National Tuberculosis Control Program, Universal Immunization Program, Pulse Polio Immunization Program, Reproductive & Child Health Program etc.
- **Mumbai Aarogya Abhiyaan Camps:**
The Medical Officer of Health conducts Mumbai Aarogya Abhiyaan Camps for the citizens during which curative, diagnostic, referral and IEC services are provided. These camps are conducted on a regular basis with the help of the local councilors. The main purpose is control of communicable diseases.
- **IEC Activities:**
Various IEC activities are conducted whereby Role-Plays, Health Talks, Rallies, Poster-Pasting activities are done for increasing the awareness of the citizens regarding diseases like Malaria, Dengue, Leptospirosis and also non- communicable diseases like Diabetes & Hypertension.
- **Crusade Activities:**
Crusades Activities for various diseases are conducted within the community jointly along with PCO, AE (Maintenance), AE (Bldg. & Factories), SWM under the guidance of the Asst. Municipal Commissioner (M/W Ward).
- **Training Activities:**

Training of UG & PG Medical/ Nursing students are also conducted by the Medical Officer of Health (M/W Ward).

- **Maternal & Child Health:**
ANC & PNC facilities are provided by the Health Post staff to the citizens.
- **Census:**
MOH conducts census of the area with the help of C.D.O & health post staff.

APPEAL TO CITIZENS

- While applying for birth/ death certificate ensure that all the details regarding the event are completely filled in the form.
- For correction in birth/ death certificate, submit at least 2 properly attested documents (which have been issued before the date of event) along with the application form.
- For marriage certificate application, submit all the documents as per the notice board displayed, outside the MOH- MW Ward office.
- For Health License application under Sec 394/412, submit all the documents as per the MMC Act, 1888.
- Do not discriminate between girl and boy child. It is a criminal offence to ask for sex determination of foetus (unborn child) during Sonography or any other antenatal diagnostic/fertility treatment procedure.
- While applying for an application under the Right to Information Act. 2005, please give complete discrete & separate specification regarding the nature of the information sought. Also, please request only regarding one subject matter at a time.
- Cover your mouth and nose with a handkerchief or tissue while coughing or sneezing.
- Wash your hands every time after coughing or sneezing, thoroughly with soap and water, before and after touching your nose, eyes and mouth.
- Stay at home if infected with flu like illness.
- In case of fever, kindly visit your nearest BMC Hospital / Dispensary / Health post and consult a Doctor.
- Do not self medicate or neglect any fever which is prolonged. Avoid use of tablet aspirin or pain killers without medical advice.
- For protection against malaria & dengue change water once a week and observe dry day.
- Keep water storage tanks in mosquito proof condition.
- Use mosquito net & apply repellent on open parts of the body.
- Do not allow water to stagnate near your dwelling-house.
- Storing water in masonry tank should be avoided.
- Do not keep tyres & odd articles on roof tops, terraces or in compound.

- **Good personal hygiene (e.g. hand washing), clean surroundings, avoid road side eateries. Safe water consumption.**
- **Anti-rodent measures e.g. proper disposal of garbage.**
- **Avoid walking bare-foot in water- logged places.**
- **In case of cough more than 2 weeks, get sputum tested.**
- **Temporary relief is not complete cure. Incomplete treatment leads to complications, resistance, harmful side effects & expensive treatments.**
- **Exclusive breast feeding up to 6 months of age.**
- **Sleep well, stay physically active and effectively manage stress.**
- **Drink plenty of water and eat nutritious food.**
- **Benefits of walking and moderate exercise are reducing diabetes and other diseases like heart ailments and stroke.**
