Dy. Hydraulic Engineer (Maintenance)

ELIGIBILITY CRITERIA

2.1 Technical Capacity

i) The tenderer(s) / bidder(s) in their own name should have satisfactorily executed the **work of similar nature** in BMC / Semi Govt. / Govt. & Public Sector Organizations during **last seven (7) years** ending last day of month previous to the one in which bids are invited, as a prime Contractor (or as a nominated sub-Contractor, where the subcontract had involved similar nature of work as described in the scope of works in this bid document, provided further that all other qualification criteria are satisfied).

a) Three similar completed works each of value not less than ₹ 8.00 L a k h

Or

b) Two similar completed works each of value not less than ₹ 9.40 L a k h

Or

c) One similar completed work of value equal and or not less than ₹ 13.30 L a k h

The value of executed works shall be brought to current costing level by enhancing the actual value of work at compound rate of 10 % per annum; calculated from the date of completion to last date of receipt of applications for tenders.

ii) Documentary proof of Work Orders & performance certificates should be submitted for the same, along with tender. Past performance certificates in respect of above should have to be issued from the officer not below the rank of Executive Engineer and shall be uploaded along with tender bid by the bidder while submitting the Bid. All the above experience shall be considered from the date of completion till due date of this tender.

iii) The tenderer shall visit the site of work i.e. AE WW(ERC) office building to get aware with work. They shall submit the undertaking in the format attached as "Undertaking for site visit". while submitting the tender failing which the tender shall be out rightly rejected.

iv) The bidder shall be Manufacturer itself or their Authorized Dealer/distributor or representative appointed by manufacturer for the CCTV camera and NVR who will obtain Manufacturer authorization letter in the format given in Annexure-H duly filled, signed and sealed by authorized person of the manufacturer. This authorization letter must be accompanied with the tender failing which the tender /offer shall be out rightly rejected.

v) The tenderer / Bidder shall have Electrical contractors license issued by PWD.

2.2 Financial Capacity

Achieved an average annual financial turnover as certified by "Chartered Accountant" ~~(in all classes of civil engineering construction works only)~~ equal to **₹ 8.00 L a k h** in **last three (3) financial years (i.e. 2021-22, 2022-23 & 2023-24)** immediately preceding the Financial Year in which bids are invited.

The value of executed works shall be brought to current costing level by enhancing the actual value of work at compound rate of 10 % per annum; calculated from the date of completion to last date of receipt of applications for tenders.

2.3 Similar Experience

For assessing the technical capacity of Regular, Routine and Maintenance works; Similar work shall mean, the completed or ongoing works such as Supply and Installation of Video Surveillance system in BMC / Semi Govt. / Govt. / Public Sector Organizations during last seven (7) years.

2.4 Bid Capacity : Not Applicable for M & E works

~~The bid capacity of the prospective bidders will be calculated as under: Assessed Available Bid Capacity = (A* N* 2 – B)~~

~~Where,~~

~~A = Maximum value of Civil Engineering works executed in any one year (year means Financial year) during the last five years (updated to the price level of the Financial year in which bids are received at a rate of 10% per year) taking into account the completed as well as works in progress.~~

~~N = Number of years prescribed for completion of the Project/Works, Including monsoon period, for which these bids are being invited. (E.g. 7 months = 7/12 year) For every intervening monsoon 0.33 shall be added to N.~~

~~B = Value of existing commitments (only allotted works) on the last date of submission of bids as per bidding document and on-going works to be completed during the period of completion of the Project/Works for which these bids are being invited.~~

~~Note: The statement showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be attached along with certificates duly signed by the Engineer in Charge, not below the rank of an Executive Engineer or equivalent.~~

Even though the bidders meet the above qualifying criteria, they are subject to be disqualified if they have :

- made misleading or false representation in the forms, statements and attachments submitted in proof of the qualification requirements; and/or
- record for poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc.
