DISASTER MANAGEMENT DEPARTMENT**

**Minutes of Prebid Meeting**

**Subject:** Supply,Installation,Testing & Commissioning Video Wall and allied equipments & CSMC for the period of 2 years after completion of DLP period 2 years at DMU,MHO & CIDM,Parel along with buyback of existing videowall installed at

**Tender ID:** 2025\_MCGM\_1218592\_1

Name of Bidder		Bid Document Reference	Page No.	Content of the bid requiring clarification	Clarification Sought /Query	Remark
Star Electric	1	Estimate excluding GST v Price bid including GST			Clarification if GST additional or inclusive	The tendered shall quote inclusive of all taxes other than GST (Excluding GST), Levies, Duties, Cess etc as applicable at the time of bid submission. GST as applicable shall be paid separately on submission of bills/invoice. Input tax credit of GST as available with the bidder will not be claim separately by BMC. However, while quoting the rates benefit of Input Tax Credit or exemptions shall be passed on to the BMC by way of equivalent reduction in quoted price.
	2	12 feeds for Video Wal integration			Clarify if feeds are from HDMI or 12 HDMI; sugges Windows-based processor	For scalability & future-proofing, the scope clearly specifies 12 feeds for Video Wall integration, requiring 12 HDMI ports.
	3	OEM specification seem tailored to PeopleLink			Request to allow other OEM (LG, Delta, Xtreme Media) correct brand spelling, verify PeopleLink credentials	Tender specifications are generic and based on project performance requirements. They are not tailored to any specific OEM. The makes such as LG/ Delta/ Xtreme Media/PeopleLink will considered.
	4	Viewing angle $\geq 165^\circ$			Suggest $\geq 160^\circ$	Tender requires $\geq 165^\circ$ to ensure wide visibility in large seating arrangements. Hence tender condition prevail.
	5	Contrast ratio 5000:1			Suggest $\geq 20,000:1$	The specification defines minimum acceptable performance. Vendors may offer better values, but minimum specifications remains unchanged.
	6	Brightness 0-1000 cd/m <sup>2</sup> adjustable			Specify single calibrated brightness value	Adjustable brightness range is mandatory to ensure adaptability to varying ambient light conditions. Hence tender condition prevail.
	7	Processing 13-bit or higher			Suggest $\geq 19$ -bit per color	Minimum requirement is $\geq 13$ -bit. Higher values are acceptable. Hence tender condition prevail.
	8	IP Protection IP65			Suggest IP50 or better (indoo use)	IP65 is mandatory to ensure long-term durability and protection in varying site conditions. Hence tender condition prevail.
	9	Mounting structure description			Clarify if wall-mounted o floor-mounted	Mounting preference is wall-mounted; however, bidders may provide a suitable solution based on site conditions.
	10	Pixel pitch $\leq 0.90$ mm			Suggest $\leq 0.94$ mm; replicat DMU specs	Kindly read Page No. 46 point no.5, Technical Specification of Video Wall at DMU,MHO as follows: Pixel pitch $\leq 0.90$ mm.
	11	Only 2 input ports included			Require 12 ports as per scop of work	Tender specifies 2x HDMI 2.0 / DP 1.2 slots; however, as per the scope, total of 12 HDMI inputs are required. Bidders should ensure provision of the full requirement.
	12	Qty (5) and make mismatch			Suggest 1 per wall; controlle same make as video wall	The quantity of controller is estimated for following purpose: Dedicated performance: Separate controllers for CCTV feed received under MCS Project, extended display, and 24x7 news channels ensure optimized processing for each use case without resource contention. High Availability & Redundancy: Multiple controllers build failover capacity, so critical displays (like surveillance) remain uninterrupted even if one controller fails. Feed Management & Layout Flexibility: Splitting the wall into 12+ independent input feeds allows simultaneous display of multiple content sources and future expansion. Scalability & Future-Proofing: The multi-controller approach supports evolving requirements, including new input sources, advanced layouts, and format upgrades, without hardware replacement. However, the quantity of controller may increase or decrease as per the design requirement of this department.

<b>Comtech Telesolutions Pvt Ltd</b>	1	Solvency certificate	26	Solvency Certificate of 8 lakhs	As per SBD solvency should be 20% of estimated cost. Therefore this should be Rs 1.50 cr	As per the SBD for M&E Engineering Discipline, for the amount of works above 25 lakhs, valid Latest Bank Solvency Certificate of Rs. 8,00,000/- issued not more than six month prior to the date of opening of tender, from any approved Bank by Reserve Bank of India / Govt. of India is mandatory. Hence tender condition prevail.
	2	Video wall controller	57	Makes given are Peoplelink / Ahuja / Globus	Requesting you to add makes of LG / Delta / Exstreme as in LED Video wall these makes are mentioned.	The makes LG / Delta /Exstreme will be considered.
	3	AV Automation & Switching	57	Makes given are Peoplelink / Ahuja / Globus	Requesting you to add makes of ATEN/Crestron/Kramer.	The makes ATEN / Crestron / Kramer / PeopleLink will be considered.
	4	20X Optical Zoom PTZ Camera	57	Makes given are Peoplelink / Ahuja / Globus	Requesting you to add makes of A&T/AVER/Milestone.	The makes A&T/AVER/Milestone will be considered..
	5	10 X Optical Zoom PTZ Camera:	57	Makes given are Peoplelink / Ahuja / Globus	Requesting you to add makes of A&T/AVER/Milestone.	The makes A&T/AVER/Milestone will be considered..
	6	Video Mixer & Tracking Controller	57	Makes given are Peoplelink / Ahuja / Globus	Requesting you to add makes of A&T/AVER/Milestone.	The makes A&T/AVER/Milestone will be considered..
	7	Site Visit Format	167/168		We had visited the site today but no officer of MCGM was present. Only house keeping staff was there. Please let us know from whom signature should be taken	Please visit site to get well acquainted with scope of work mentioned in tender documents and get sign of engineer incharge on site visit report attached in tender document. For any assistance please contact on following numbers during 10.00AM to 06.00 PM on working day: DMU, MHO: 022 61234110 CIDM,Parel: 022 61234221
