For assessing the technical capacity of Regular, Routine and Maintenance works; similar work shall mean, Completed or ongoing works in The Bidder should have successfully completed the work of **"SITC of Trash boom system Or Hiring or Operation and maintenance of Trash Boom with mechanized trash lifting system/ Supply or Hiring Or O&M of Floating trash skimmer machine / Supply or Hiring Or O&M of**

**Aquatic weed removal machine/ SITC or O&M of mechanized screens/ SITC or O&M of Pumping stations in Storm water drains or sewer”** in MCGM /Semi Govt. / Govt. / Public Sector Organization during last seven (7) years ending last day of month previous to the due date as a prime contractor of in BMC/Semi Govt./Govt./ Public sector organization.

Municipal Commissioner of Greater Mumbai reserves right to accept any bid and annul the bidding process and/or reject all the bids at any time prior to award of the contract without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for the Employers action.

The value of executed works shall be brought to current costing level by enhancing the actual value of work at compound rate of 10 % per annum; calculated from the date of completion to last date of receipt of applications for tenders.

**B) Bid Capacity(NOT APPLICABLE):**

The bid capacity of the prospective bidders will be calculated as under: Assessed Available Bid Capacity =  $(A * N * 2 - B)$

Where,

A = Maximum value of Civil Engineering works executed in any one year (year means Financial year) during the last five years (updated to the price level of the Financial year in which bids are received at a rate of 10% per year) taking into account the completed as well as works in progress.

N = Number of years prescribed for completion of the Project/Works, excluding monsoon period, for which these bids are being invited. (E.g. 7 months = 7/12 year) For every intervening monsoon 0.33 shall be added to N.

B = Value of existing commitments (only allotted works) on the last date of submission of bids as per bidding document and on-going works to be completed during the period of completion of the Project/Works for which these bids are being invited.

Note: The statement showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be attached along with certificates duly signed by the Engineer-in Charge, not below the rank of an Executive Engineer or equivalent.

Even though the bidders meet the above qualifying criteria, they are subject to be disqualified if they have:

- Made misleading or false representation in the forms, statements and attachments submitted in proof of the qualification requirements; and/or
- Record for poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, or financial failures etc.
