- 34) Submission of the e-Quotation:**

The bidders can enroll themselves on the website <https://Mahatenders.gov.in> using the option "Online Bidder Enrolment". Possession of a Valid Class III Digital Signature Certificate (DSC) in the form of smart card/e-token in the Company's name is a prerequisite for registration and participating in the bid submission activities through this web site. Digital Signature Certificates can be obtained from the authorized certifying agencies, details of which are available in the web site <https://Mahatenders.gov.in> under the link "Information about DSC".

The web site also has user manuals with detailed guidelines on enrolment and participation in the online bidding process. The user manuals can be downloaded for ready reference. Vendors can also attend the training/familiarization programme on the e-quotationing system conducted periodically by the GOVERNMENT E-PROCUREMENT SYSTEM in association with NIC.

Special Instructions to the Contractors/Bidders for the e-submission of the bids
online through this e-Procurement Portal

Bidder should do Online Enrolment in www.Mahatenders.gov.in Portal using the option to Enroll available in the Home Page. Then the Digital Signature enrolment has to be done with the e-token, after logging into the portal. The e-token may be obtained from one of the authorized Certifying Authorities such as Mudhra CA/ GNFC/ IDRBT/ Mtnl Trust line/Safe Script/ TCS.

Bidder then logs into the portal giving user id/password chosen during enrolme The e-token that is registered should be used by the bidder and should not be misused by others.

DSC once mapped to an account cannot be remapped to any other account. It can only be In-activated.

The Bidders can update well in advance, the documents such as certificates, purchase order details etc., under My Documents option and these can be selected as per e-quotation requirements and then attached along with bid documents during bid submission. This will ensure lesser upload of bid documents.

After downloading / getting the e-quotation schedules, the Bidder should go through them carefully and then submit the documents as per the e-quotation document; otherwise, the bid will be rejected.

Bidder will upload Packet A documents in cover 1 "Fee" and Packet B related Documents in cover2 "PQC" respectively.

The BOQ template must not be modified /replaced by the bidder and the same should be uploaded after filling the relevant columns in the uploaded BOQ, else the bidder is liable to be

rejected for that e-quotation. For commercial details (in Packet C) Bidder will fill data in financial bid in BOQ and quotes his rate or “(+) or(-) Percentage” (i.e.% quoted) figure.

If there are any clarifications, this may be obtained online through the e Procurement Portal, or through the contact details given in the e-quotation document. Bidder should take into account of the corrigendum published before submitting the bids online.

Bidder, in advance, should prepare the bid documents to be submitted as indicated in the e-quotation schedule and they should be in PDF/XLS/RAR/DWF formats. If there is more than one document, they can be clubbed together.

The bidder reads the terms and conditions and accepts the same to proceed further to submit the bids.

The bidder has to submit the e-quotation document(s) online well in advance before the prescribed time to avoid any delay or problem during the bid submission process.

There is no limit on the size of the file uploaded at the server end. However, the upload is decided on the Memory available at the Client System as well as the Network bandwidth available at the client side at that point of time. In order to reduce the file size, bidders are suggested to scan the documents in 75-100 DPI so that the clarity is maintained and also the size of file also gets reduced. This will help in quick uploading even at very low bandwidth speeds.

It is important to note that, the bidder has to Click on the Freeze Bid Button, to ensure that he/she completes the Bid Submission Process. Bids Which are not Frozen are considered as Incomplete/Invalid bids and are not considered for evaluation purposes.

The Quotation Inviting Authority (TIA) will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders due to local issues.

The bidder may submit the bid documents online mode only, through this portal. Offline documents will not be handled through this system.

At the time of freezing the bid, the e-Procurement system will give a successful bid updating message after uploading all the bid documents submitted and then a bid summary will be shown with the bid no, date & time of submission of the bid with all other relevant details. The documents submitted by the bidders will be digitally signed using the e-token of the bidder and then submitted.

After the bid submission, the bid summary has to be printed and kept as an acknowledgement as a token of the submission of the bid. The bid summary will act as a proof of bid submission for a e-quotation floated and will also act as an entry point to participate in the bid opening event.

Successful bid submission from the system means, the bids as uploaded by the bidder is received and stored in the system. System does not certify for its correctness.

The bidder should see that the bid documents submitted should be free from virus and if the documents could not be opened, due to virus, during e-quotation opening, the bid is liable to be rejected.

The time that is displayed from the server clock at the top of the e-quotation Portal, will be valid for all actions of requesting bid submission, bid opening etc., in the e-Procurement portal. The Time followed in this portal is as per Indian Standard Time (IST) which is GMT+5:30. The bidders should adhere to this time during bid submission.

All the data being entered by the bidders would be encrypted at the client end, and the software uses PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission and not viewable by any one

until the time of bid opening. Overall, the submitted bid documents become readable only after the e-quotation opening by the authorized individual.

During transmission of bid document, the confidentiality of the bids is maintained since the data is transferred over secured Socket Layer (SSL) with 256 bit encryption technology. Data encryption of sensitive fields is also done.

The bidders are requested to submit the bids through online e-Procurement system to the TIA well before the bid submission end date and time (as per Server System Clock).

The Municipal Commissioner reserves the right to reject all or any of the e-quotation (s) without assigning any reason at any stage. The dates and time for submission and opening the e-quotations are as shown in the Header Data. If there are any changes in the dates the same will be displayed on the e-Procurement System of Government of Maharashtra (Mahatenders) (<https://Mahatenders.gov.in>).

Due to any unforeseen circumstances if any of the date mentioned in the header data is declared as public holiday, in that case all the dates* will get shifted by one day or next working day.

BARRING PHYSICAL SUBMISSIONS

As the entire e-quotation procedure is online process; the physical submission of documents shall not be entertained.
