

BRIHANMUMBAI MUNICIPAL CORPORATION

No.CE/ 8700 / I Dated 20.08.2025

CIRCULAR

Sub : Circular regarding Registration of Special Purpose Vehicle Companies in BMC.

Ref : Hon'ble M.C.'s approval u.no. MGC/F/ 6971 dtd: 09.07.2025

As per the Hon'ble Municipal Commissioner's approval u.no. MGC/F/1614 dated 25.10.2016, the Rules for registration of contractors have been sanctioned under the name "Rules Governing Registration of Contractors for Civil and Mechanical & Electrical Works – 2016" and same came in force from 01.12.2016.

In some of the cases, it is observed that, a condition is incorporated in Bid Document for Registration of **Special Purpose Vehicle Companies i.e. SPV Companies**. The tenders are invited with a provision of formation of SPV Company after allotment of Work to the Parent Company **OR** Allowing SPV Company to bid directly utilising the experience of its Parent Company.

In both the cases, the SPV Company has its separate legal identity and therefore if liability arises during contract period of work then parent company will be liable for any consequences arising out during contract period.

In light of above a report was submitted for approval of Hon'ble M.C. for incorporating a Tender Condition in Bid Document. Now, Hon'ble M.C. has accorded approval u.no. MGC/F/ 6971 dtd: 09.07.2025 for additional condition to be added in Bid Document which reads as:

"no any department will incorporate the condition in tender document for registration of SPV Company who have been allowed to carry out the work or allowed to bid directly in name of SPV Company. Registration shall be compulsory for Principal /Parent Company only in appropriate Class. "

All the executing departments of B.M.C. are hereby directed to take cognizance of the same and incorporate the condition in the bid document for the proposed works henceforth.

This Circular shall come in force with immediate effect.
